Productive

- 26 hp, 3-cylinder, high-torque diesel engine; liquid-cooled for greater reliability
- Forward speeds up to 12 mph and 7-IRON II™ mowing decks permit high-capacity mowing
- Extra-large, 16 gal. (U.S.) fuel tank provides the capacity for all-day mowing; 10-hour running time without refueling
- Optional all mechanical 4WD (includes full-time or on-demand 4WD); optional dual wheels and standard foot-activated differential lock provide superior traction

Durable

- High-strength, self-reinforcing space frame; tractor-based transaxle and wet disk brakes ensure outstanding durability; major components located lower in the machine provide a low center of gravity for enhanced performance on hillsides

Versatile

- Available 72-inch, side-discharge, front-mounted 7-IRON II™ commercial mower deck, ideal for trimming
- Tail Follows the Trail - rear of the machine stays within the cutting arc and clear of obstacles (with 72-inch deck)
- Standard turn brakes for extra-tight turns
- Optional heavy-duty snow blower, broom and blade allow for all-season versatility
- Also available: 60-inch, side-discharge 7-IRON II™ deck; 62-inch, rear-discharge 7-Iron II™ deck and 72-inch, rear-discharge FastBack 7-gauge deck
- Standard cup holder and storage compartment
- 12-volt outlet for cell phones and radios

Ergonomic

- Deluxe, multi-adjustable seat; tilting steering column and open operator's station enhance operator comfort
- Patented, dual-pedal controls allow operator to select speed and direction; keep hands free for steering and operating controls
- Power steering (two turns lock-to-lock) provides quicker response and reduces operator fatigue
- Standard folding ROPS
- CARB certified; meets ANSI and OSHA standards
