Power

- 18-hp air-cooled, Kohler Command Pro gas engine
- 7-mph transport speed

Engine

- Overhead-valve engine design provides easier starting, greater fuel efficiency, lower noise levels and cooler operating temperatures

Transmission

- Heavy-duty, 5-speed gear transmission provides a variety of mowing speeds to meet the needs of various situations
- Reverse assist increases operator productivity in those areas where quick reverse is needed and increases efficiency when backing up, loading trailers or on hilly terrain

Drive System

- Larger drive pulleys than most competitors enable more belt/pulley contact, providing better grip and less wear for maximum belt life

7-Iron II™ Deep-Deck Mower Deck

- 48-inch 7-Iron II™ commercial mower deck
- Provides a powerful vacuuming action to lift the grass and create better airflow
- One-piece 7-gauge stamped steel means no weld points to fail
- Full floating deck follows ground contours, providing the best groomed appearance

Spindles

- Ribbed cast aluminum spindle housings provide strength and cooling surface area that stands up to commercial applications
- Spindles are supported by precision ball bearings, providing enduring performance and reliability
- Spindles can be greased from the top of the mower deck

Tires

- Large 16x6.5x8-inch drive wheels provide excellent traction

Fuel Capacity

- Large 5-gallon (U.S.) fuel capacity means fewer refills

Simplified Controls

- Electric PTO, separate choke, color-coded levers, and spring-loaded thumb latches

Thumb Latches

- Thumb latches on John Deere Commercial Walk-Behind Mowers make shifting from forward to reverse easier
- Automatic-release thumb latches provide greater operator comfort and convenience

Safety

- Bilingual decals and operational safety video (English and Spanish)

Two-Year "Bumper-to-Bumper" Limited Warranty*

- Local John Deere Dealer takes care of all warranty service. (There's no need to go to component suppliers for service.) *See dealer for details.
